

Dear Bachelor and Master students,

if you are thinking about studying abroad for a semester or two you shouldn't miss our online information event about ERASMUS and other exchange programmes on

Tuesday, 16 November 2021 at 16.00 h,

Zoom [link](#) Password: Erasmus11

As most of the outgoing students are Germans, the basic language of the event will be German. But, please be assured that we can easily switch to English for the spoken part of it if non-German speakers attend the meeting.

At the event, the Erasmus coordinators of the various study areas within our faculty, as well as the central Erasmus Coordinators and the advisor for Studying Abroad (beyond Erasmus) will give presentations and you'll have the opportunity to ask questions.

Order of presentations

Christine Kutnar	International Office, Studying abroad outside Europe
Greta Matthis	Central ERASMUS office of the University, general information about Erasmus
Esther Muschelknautz	Erasmus Coordinator Faculty, Information about application process
Dr. Thilo Wiertz	Erasmus Coordinator Geography, information about partner faculties
Prof. Dr. David Dolejs	Erasmus Coordinator Geology, information about partner faculties
PD Dr. Jens Lange	Erasmus Coordinator Hydrology, information about partner faculties
Esther Muschelknautz	Erasmus Coordinator Forest and Environmental Sciences, information about partner faculties

Application deadline

for Erasmus stays in WS 2022/23 and SS 2023: 15 January 2022; except for Geology students; they have later deadlines. After the official deadline students can still apply for the places that are left (Restplätze).

German and international students can equally apply for ERASMUS, even if they went out with ERASMUS already during their Bachelor programme.

Best regards,

Esther Muschelknautz
